

## Who's New...?

**Richard Dunn – Site Manager** – I have worked in construction for more than 30 years mainly for Laing O' Rourke. I started my career as a scaffolder working my way to Senior Site Manager. I love my football and currently run an under 12's team based in Sunderland. I am married with two children ages 18 and 12 and my interests are football and boxing.

**David Baines – Construction Manager** – My last 30 years have been spent in the construction industry and I worked my way through the ranks from apprentice to qualified joiner, then on to become contracts manager. I have worked on most forms of construction from high rise steel framed buildings, RC frames, timber frames and the more traditional methods. I've been married to my wife Jen for 21 years and have a 16-year-old son, who according to him knows everything! I enjoy watching my local football team Sheffield Wednesday and enjoy the odd game of golf at Hillsborough Golf Club.

**Sarah Doran – Office Manager** – I have worked in administration for several years and most recently was office manager at a children's nursery. I enjoy the many demands and challenges of the role. I like to get involved and work well in a team. I have recently moved to Leeds from Manchester and so my next chapter begins at Broadleys! I am a confident outgoing person. I have a huge passion for music inherited from my father who was a jazz musician. I have worked in several bands and was self-employed as a vocalist for over ten years. I have two grown up daughters and the apple of my eye my five-year-old grandson James. I love to spend time with friends and family and I have cat called Desmond.

**Shaun Priestley – Quantity Surveyor** - For the past few years I have been working as a QS on various sized projects for a number of different clients across the UK. My experience and expertise come from working under JCT Design & Build Contracts for a number of medium-sized main contractors, such as Weiser Construction and most recently, Castlehouse Construction. Combined with formal qualifications, I possess strong practical and managerial skills to enable me to deliver each project in a proven cost-effective manner. As well as my construction background, I possess a keen interest in sport and music, in particular football as well as snooker and golf. I enjoy both playing and watching.

# BROADLEY SPEAKING..

December 2017

## A note from our Chairman, Gary Broadley...

**'A MERRY CHRISTMAS AND A HAPPY NEW YEAR TO EVERYONE'**

I should not wish for it but Christmas needs snow!! I hope your Christmas shopping is all in hand and you are preparing for your Christmas break. I truly hope you all enjoy a well deserved break with your families and friends. We have had an outstanding 2017 and I would like to thank you all for all your hard work and effort. The New Year looks to be a busy one so we all have something to look forward to on our return.

Have a fantastic Christmas and a great New Year....carry on!!!

## 2018 Projects

*Artist's impressions of projects we will be working on in 2018 for Roomzzz Newcastle and Iconinc, Lincoln for The Park Lane Group.*

## Ben receives another award...

Ben just keeps on picking up the awards. His latest was the at the Skillbuild National Joinery competition held at the Birmingham NEC last month. After an anxious wait late into the night it was confirmed that he had won the Gold Medal. We are all immensely proud of his achievement and just need to think of a suitable reward for his exploits!....

## Operation Christmas Child

Just a reminder that Joel is collecting for Operation Christmas Child, this is run by an organisation called Samaritans Purse. The idea is to donate any toys whether new or old to be put into shoeboxes and sent to underprivileged children for Christmas either in orphanages, shelters or war torn countries. Please let Joel know if you are able to donate, thanks.
